

TRAFFIC ADVISORY

RE: MUDDY RIVER RESTORATION PROJECT - BOSTON, MASSACHUSETTS

SCOPE: Exploratory test pits will be dug on Brookline Ave between Riverway and Park Drive in order to locate a 12" & 48" water main which are to be relocated at a future date and to locate 51" & 45" drainage pipes which will be rerouted into the new future culvert. This work will be performed at night from 8:00 pm to 4:30 am. Brookline Ave will have single and double lane closures. There will be periods where Brookline will be shut down with traffic going inbound will be detoured to the Jug Handle and traffic outbound will be detoured around the Sears Rotary.

Traffic Impact: Brookline Ave Inbound and Outbound between Riverway and Park Drive

Other Impacts: Temporary detours Inbound to Jug handle & Outbound around Sears Rotary

Mitigation: State Police, Arrow Boards, Cones, Barrels, Detours

Schedule: **Monday 5/13 thru Thursday 5/16 - 8:00 PM to 4:30 AM**
